Thank you for trusting us as your dental healthcare provider, and we appreciate the opportunity to serve you. Please carefully read the following guidelines for our office.

Appointments:

Once an appointment is made, this time has been reserved especially for you. We expect at least 48 hours notice prior to rescheduling/cancelling an appointment so that we may accommodate other patients awaiting treatment. After 2 missed appointments we may ask you to find another dental office that better suits your schedule. We make every effort to be on time for your appointment, and we hope that you will be patient with any delays that may occur when dental emergencies arise.

Compensation:

Patients are responsible for payment, however, we are pleased to assist you in preparing and submitting your insurance claims. Please provide a current insurance card at each visit. Our office is not in any insurance network. Some insurance companies may send the payment to the insured. If this is true with your insurance company, you will be asked to pay in full. We will file the claim for you, as a service to you.

On average, insurance policies cover approximately 50-80% of fees. At the time of service, we require that you pay the estimated portion the insurance policy does not cover along with any deductibles. We can assist in the preparation of forms, but cannot take responsibility for researching the exact coverage on your course of treatment. We are happy to send a pre-determination upon request, and urge you to contact your insurance carrier to determine benefits and extent of coverage.

Patients may pay with cash, check, MasterCard, Visa, American Express, or Discover Card on the day of treatment for any services rendered. CareCredit is also accepted and can be applied for at our office.

I authorize the insurance company to pay the dentist or dental group all insurance benefits otherwise payable to me for services rendered. I authorize the use of this signature on all insurance submissions.

I authorize the dentist to release all information necessary to secure the payment of benefits. I understand that I am financially responsible for all charges whether or not paid by insurance.

I have read and understand your office guidelines and agree to my part which applies.
